

Usability Testing Consent Form

Project Title: UrbanHUB Usability Testing

Researcher(s): Sylvie Molinatto, Elia Ferraro, Kevin Gjeka, Alessandro Bianco

Date: 14/02/2024

Introduction:

I, the undersigned, hereby consent to participate in usability testing for the research project related to UrbanHUB. I have been informed about the purpose, nature, and procedures of this usability testing and have had an opportunity to ask questions.

Purpose of Usability Testing:

The purpose of this usability testing is to evaluate the user interface and user experience of UrbanHUB. The information collected will be used for research and development purposes to enhance the usability and functionality of the web application.

Usability Testing Procedures:

The usability testing will take place in a location and format convenient for both the participant and the researcher. It is expected to last approximately 1 hour and will involve tasks and scenarios designed to assess the usability of the web application.

Confidentiality:

I understand that the information gathered during the usability testing, including my interactions with the web application, may be used for analysis, improvement, and reporting. While the findings may be shared, my identity will be kept confidential.

Voluntary Participation:

I understand that my participation is entirely voluntary, and I may withdraw my consent at any time during the usability testing without any adverse consequences. I am under no obligation to complete any task that makes me uncomfortable.

Recording and Observation:

I consent to the recording and observation of my interactions with UrbanHUB during the usability testing for research purposes. These recordings will only be used by the research team and will not be shared publicly.

Use of Information:

I consent to the use of the information gathered during the usability testing for research and development purposes, including analysis, improvement, publication, and presentation.

Contact Information:

If I have any questions or concerns regarding this usability testing or my participation, I can contact the researcher(s) at s318952@studenti.polito.it, s317706@studenti.polito.it, s308860@studenti.polito.it, s317998@studenti.polito.it.

Participant Consent:

I have read and understood the information provided in this document, and I voluntarily agree to participate in the usability testing for the research project related to UrbanHUB.
